STAR COMMAND
HAD DETERMINED
THAT ZURG WAS
HIDING HIS
WEAPON ON CETI
ALPHOOINE IN THE
MIDDLE OF DELTA
QUADRANT.

IT WAS THE STRANGEST
PLANET I'D EVER VISITED.

SNAP!

LAND!

IT APPEARS
ZURG'S
HIDEOUT IS
NORTH OF
HERE.

IT WAS A
DIFFICULT
JOURNEY...

I MADE IT TO
ZURG'S BASE.
ALL THAT WAS
LEFT TO DO
WAS FIND THE
WEAPON...AND
DESTROY IT.

I KNEW THERE
HAD TO BE A
WAY IN.

BA-BOOM!!

I WAS GETTING
CLOSE, I
COULD FEEL IT.

I WAS SURE THE
WEAPON WAS RIGHT
BEHIND THAT DOOR.

I WENT TO
OPEN IT...

IT WAS
ZURG!

I'M SO
GLAD YOU
COULD
JOIN ME.

ACK!

WHAT
DID YOU
DO?!

OBVIOUSLY,
I ESCAPED
FROM ZURG'S
CLUTCHES.

AND DESTROYED THE
WEAPON, SAVING THE
GALAXY FROM CERTAIN
DESTRUCTION.

ANDY TOOK ME WITH HIM
TO COWBOY CAMP, LIKE HE
DOES EVERY YEAR.

ANDY LEFT ME IN THE
CABIN WHILE HE WENT OUT
FOR A HOT DOG ROAST.

I...AHEM...
FELL OFF THE
BED. BUT I
HEARD
SOMETHING
OUTSIDE.
SOMETHING
TERRIFYING!

WHOOOOOO

OF COURSE,
I WASN'T
AFRAID... SO I
WENT TO HAVE
A LOOK.

HELLLOOOOO?

WHOOOOOO

WHO'S
OUT
HERE?

WHOOOOOO

YOU EVER
HEAR OF THE
ONE-ARMED
TOY TAKER?

N-NO...

A FEW YEARS AGO,
SOME KID'S TOYS
STARTED
DISAPPEARING.

SOMEONE...OR
SOMETHING...
WAS TAKING
THEM AWAY.

THE KID THOUGHT
SHE'D LOST HER
FAVORITE TOYS.

BUT IT WAS
WORSE...MUCH
WORSE!

AT FIRST IT LOOKED
LIKE IT WAS AN
ISOLATED
INCIDENT...JUST ONE
KID'S TOYS. BUT
THEN...ANOTHER KID'S
TOYS DISAPPEARED!

EVEN TOYS
LIKE COMBAT CARL
WEREN'T SAFE FROM
THE TERRIBLE,
ONE-ARMED MENACE!

POW!

EVERYONE IN THE TOY
COMMUNITY WAS
TERRIFIED!

WERE THE TOYS
DISAPPEARING ON
PURPOSE?

WHERE'S
MY COMBAT
CARL?

OR WAS IT
SOMETHING
FAR MORE
SINISTER?

TOYS
EVERYWHERE
WERE ON
HIGH ALERT!

GIVE

TOYS FOR TOTS

BUT IT WASN'T
ENOUGH.

THE TOYS SURMISED
THAT THE CULPRIT WAS
ANOTHER TOY. HE
WAS JEALOUS THAT
HE WASN'T PLAYED
WITH ENOUGH!

THEY LEARNED HE HAD
ONE ARM, AND THAT'S
WHY HIS OWNER DIDN'T
WANT HIM ANYMORE.

THE END

BECAUSE YOU DEMANDED IT...

Break out the birthday candles and the mint chocolate chip ice cream cake, dear readers, because September is a special month indeed here at BOOM Kids!

You've been clamoring for it for months. We've heard you, and we've been waiting for just the right time to unveil it, and now, here it is: the return of the fan-favorite series **MICKEY MOUSE AND FRIENDS**! But that's not all. Long-time readers will remember that the series left off last year with issue #299...which means it's now time for the big anniversary issue: #300! You haven't eaten that ice cream cake yet, right?

We've gone all-out on this one, folks, with a brand-new cover by modern Mickey master Casty, and a prestige collector's edition featuring a brand-new, embossed cover by

legendary Disney artist Daan Jippes! (I've also heard a rumor that Jippes has produced another new, exclusive cover for those attending this year's New York Comic Con...shh!) All created especially for this milestone event.

As for what's inside? Well, we wanted to take this opportunity to remind readers who Mickey Mouse really is, and why we're celebrating the little guy in the first place. So it's a little of something new, a little of something classic. Our main feature finds our favorite mouse multiplying uncontrollably in a crazy new story we could only call "300 Mickeys!" When dozens of his clones appear and all have their own agendas, what will Mickey do with...himself? It's a surprisingly philosophical question, but also a raucous romp through Mouseton and beyond with Minnie, Goofy, Eega Beeva and Pluto! And then there's a very

special second feature, showcasing classic Mickey adventures that are sure to thrill fans old and new alike!

It's an exciting time for Mickey fans, and for those who are looking for an opportunity to get to know everyone's favorite mouse. So keep an eye out for the standard, collector's and NYCC variant editions when they drop later this month...and as always, keep your ears to the ground for more exciting news to come!

UPCOMING FROM BOOM KIDS!

Travis Hill, artist of CARS: ADVENTURES OF TOW MATER

Fans can see your artwork in both **TOY STORY** and the current arc of **CARS: ADVENTURES OF TOW MATER**. Is this something you could have predicted years ago?

Wow! Hard work pays off, but honestly, I'm really honored. Not only does Disney/Pixar produce quality entertainment, they set the standard. But don't worry. I won't let it go to my head. I recently met Don Rosa at Heroes Con in June while I took a break between sketch covers - I was star-struck. I grew up reading his Uncle Scrooge stories, so it was a wonderful moment to be able to thank him for his inspiration. Now I can humbly say that I'm a peer (in a matter of medium) as well as a fan. I consider myself very lucky to be in good company.

How did you get involved in comics?

I've been drawing comic adventures (usually of my own characters) since I can remember. I attended the Joe Kubert School of Comic & Graphic Art on a Marvel Comics full-tuition scholarship after high school. I got my start as a pro inking pages of **REN & STIMPY** for Marvel and then dove

into the world of self-publishing. Since graduation, I've spent most of my art career in graphic design and the video game industry. But I couldn't pass up the chance to work on these BOOM Kids! titles and was quickly sucked back into the world of funny books once again.

As an artist, what would you say is the best part of your job?

I love telling a story, putting something to paper that's only been an idea until then, and bringing life to these oddball fictional characters. And the opportunity to "direct a film" on paper with no budget, limited only by imagination and my abilities, is liberating. It's kept me out of most trouble over the years. As long as I have pen and paper, I'm never bored. I also enjoy seeing a kid's face light up as I draw, right when they start to recognize their favorite character taking shape in front of them. It's like a magic trick.

Who's your favorite Car, and why?

Like everyone else, I love Mater. He's so expressive and good natured and fun to draw. Strange coincidence, but Larry the Cable Guy (the voice of Mater) doesn't live far from me in Central Florida. I saw him in line at a 7-11!

Any other Disney/Pixar characters you're anxious to draw?

I'm a Muppet nut, so that's an obvious choice. And my love for "all things monster" keeps the hope alive that I might be able to explore the world of **MONSTERS, INC.** at some point. There's just so much imagination and weirdness and humor and creatures in those 2 properties. They're right up my alley. I'm a sucker for slapstick, so I think a Goofy "how to" manual/comic (like the classic animated shorts) would be a blast. I also dig the Mickey/Goofy/Donald team-ups like "Lonesome Ghosts" and would love to do a ghost-bustin' mini-series with those three. Of course, I also like pulpy adventure, so **TALESPIN** and **UP** would be awesome too. And how cool would an alien-packed outer-space **STITCH** prequel be? There're just too many great Disney/Pixar properties to choose from. Back to the drawing board!

YOU'VE
DONE A FINE
JOB HERE,
COWBOY.

WITH ANDY
AWAY AT THAT
SLEEPOVER, I
THOUGHT WE'D HAVE
A CAMPOUT OF
OUR OWN!

THE FIRST
THING WE DO
AT CAMP IS SING
SONGS AROUND
THE FIRE.

MR. CRANK,
IF YOU
PLEASE.

OH,
GIVE ME A
HOME...

...WHERE THE
DINOSAURS
ROAM...

ER...THAT'S SOME FINE SINGING, WOODY, BUT MAYBE THERE'S...UH... SOMETHING ELSE WE CAN DO... TOGETHER.

I KNOW! LET'S TELL SCARY STORIES!

BO, THAT'S A GREAT IDEA! THERE'S NOTHING LIKE SITTING AROUND A CAMPFIRE TELLING GHOST STORIES!

OOH! OOH! I'VE GOT A GOOD ONE!

ONCE UPON A TIME THERE WAS THIS BIG, FEROCIOUS DINOSAUR...

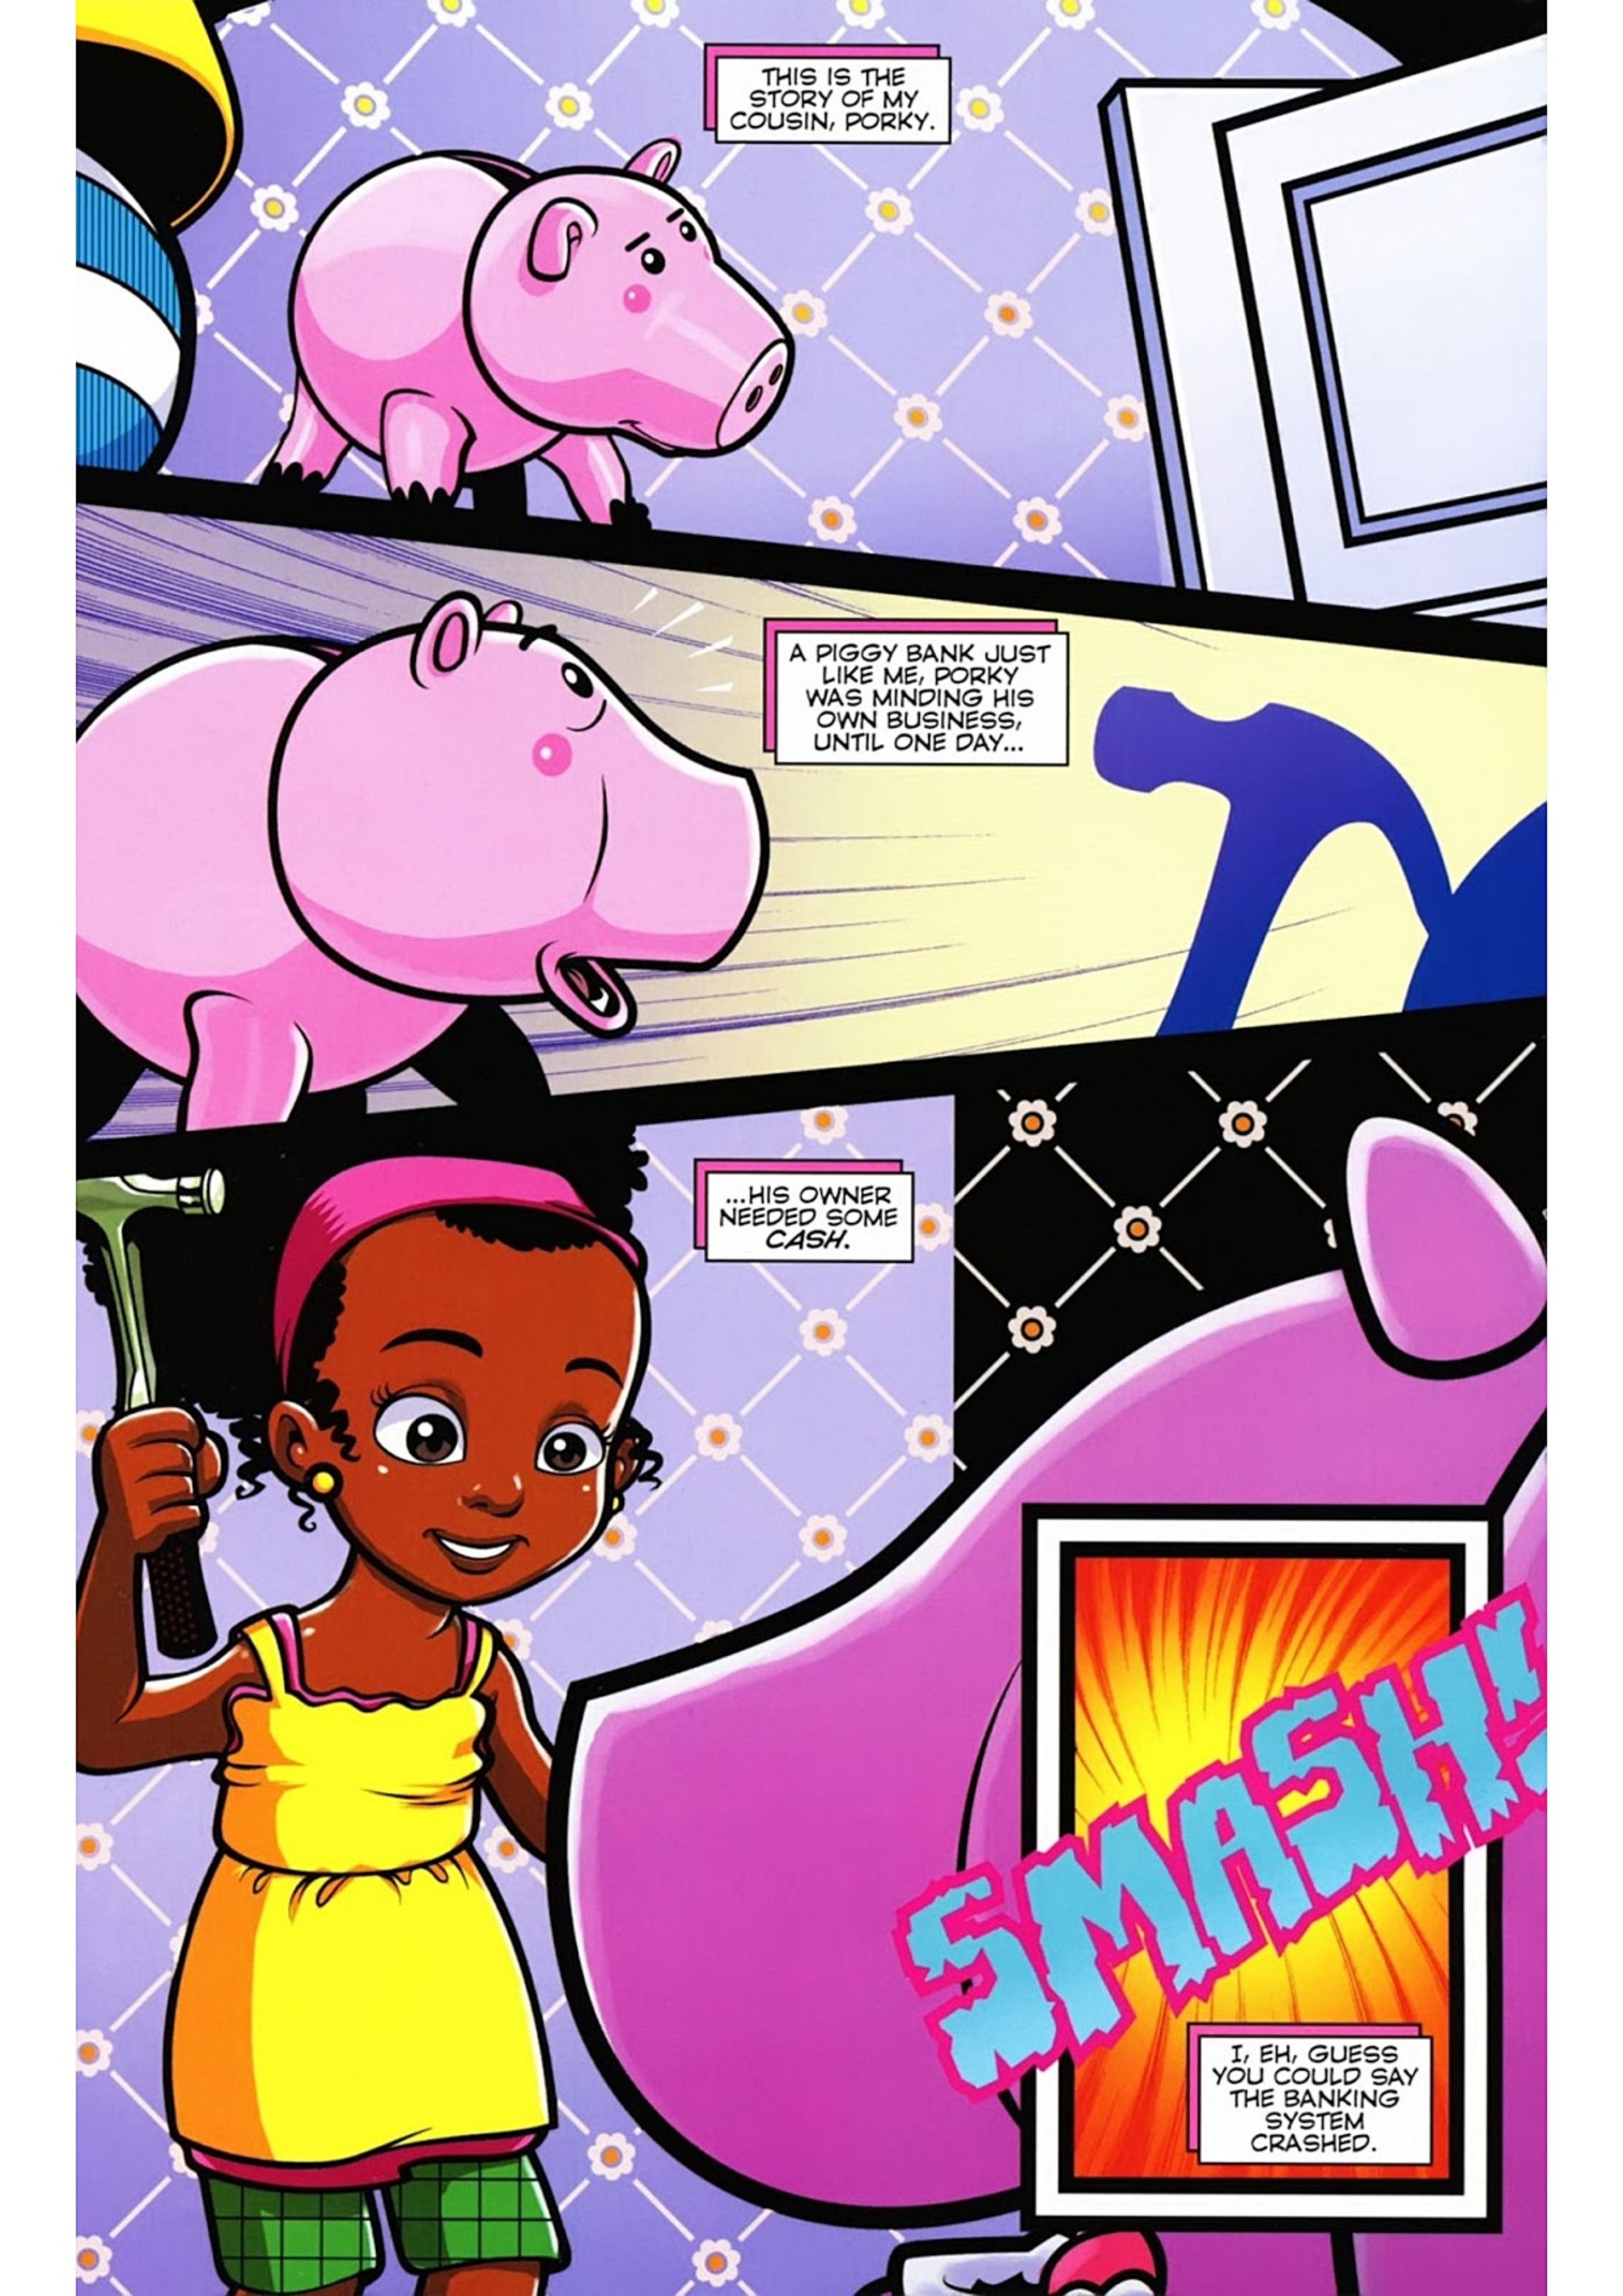

AND ALL THE OTHER DINOSAURS WERE SCARED OF HIM!

ROAARRR

GIVE IT UP, FOSSIL FUEL. YOU'RE NOT SCARY. *THIS* IS SCARY...

A comic book panel with a purple background featuring a white diamond grid pattern with small white flowers at the intersections. In the upper left, a small pink piggy bank stands on a dark shelf. To its right, a white door is partially open. In the center, a larger pink piggy bank is shown from the side, looking towards the right. In the lower left, a young girl with dark skin, wearing a yellow dress and green shorts, holds a hammer. In the lower right, a large pink piggy bank is being smashed, with a large 'SMASH!' sound effect in blue and pink letters. A speech bubble is located near the bottom right piggy bank.

THIS IS THE
STORY OF MY
COUSIN, PORKY.

A PIGGY BANK JUST
LIKE ME, PORKY
WAS MINDING HIS
OWN BUSINESS,
UNTIL ONE DAY...

...HIS OWNER
NEEDED SOME
CASH.

SMASH!

I, EH, GUESS
YOU COULD SAY
THE BANKING
SYSTEM
CRASHED.

HMMM...IT SEEMS THE LITTLE GIRL WAS ONLY INTERESTED IN COMMERCE. HARDLY THAT FRIGHTENING.

TELL THAT TO THE PIECES OF MY COUSIN!

ME! ME!

GO AHEAD, ROCKY. TELL YOUR STORY.

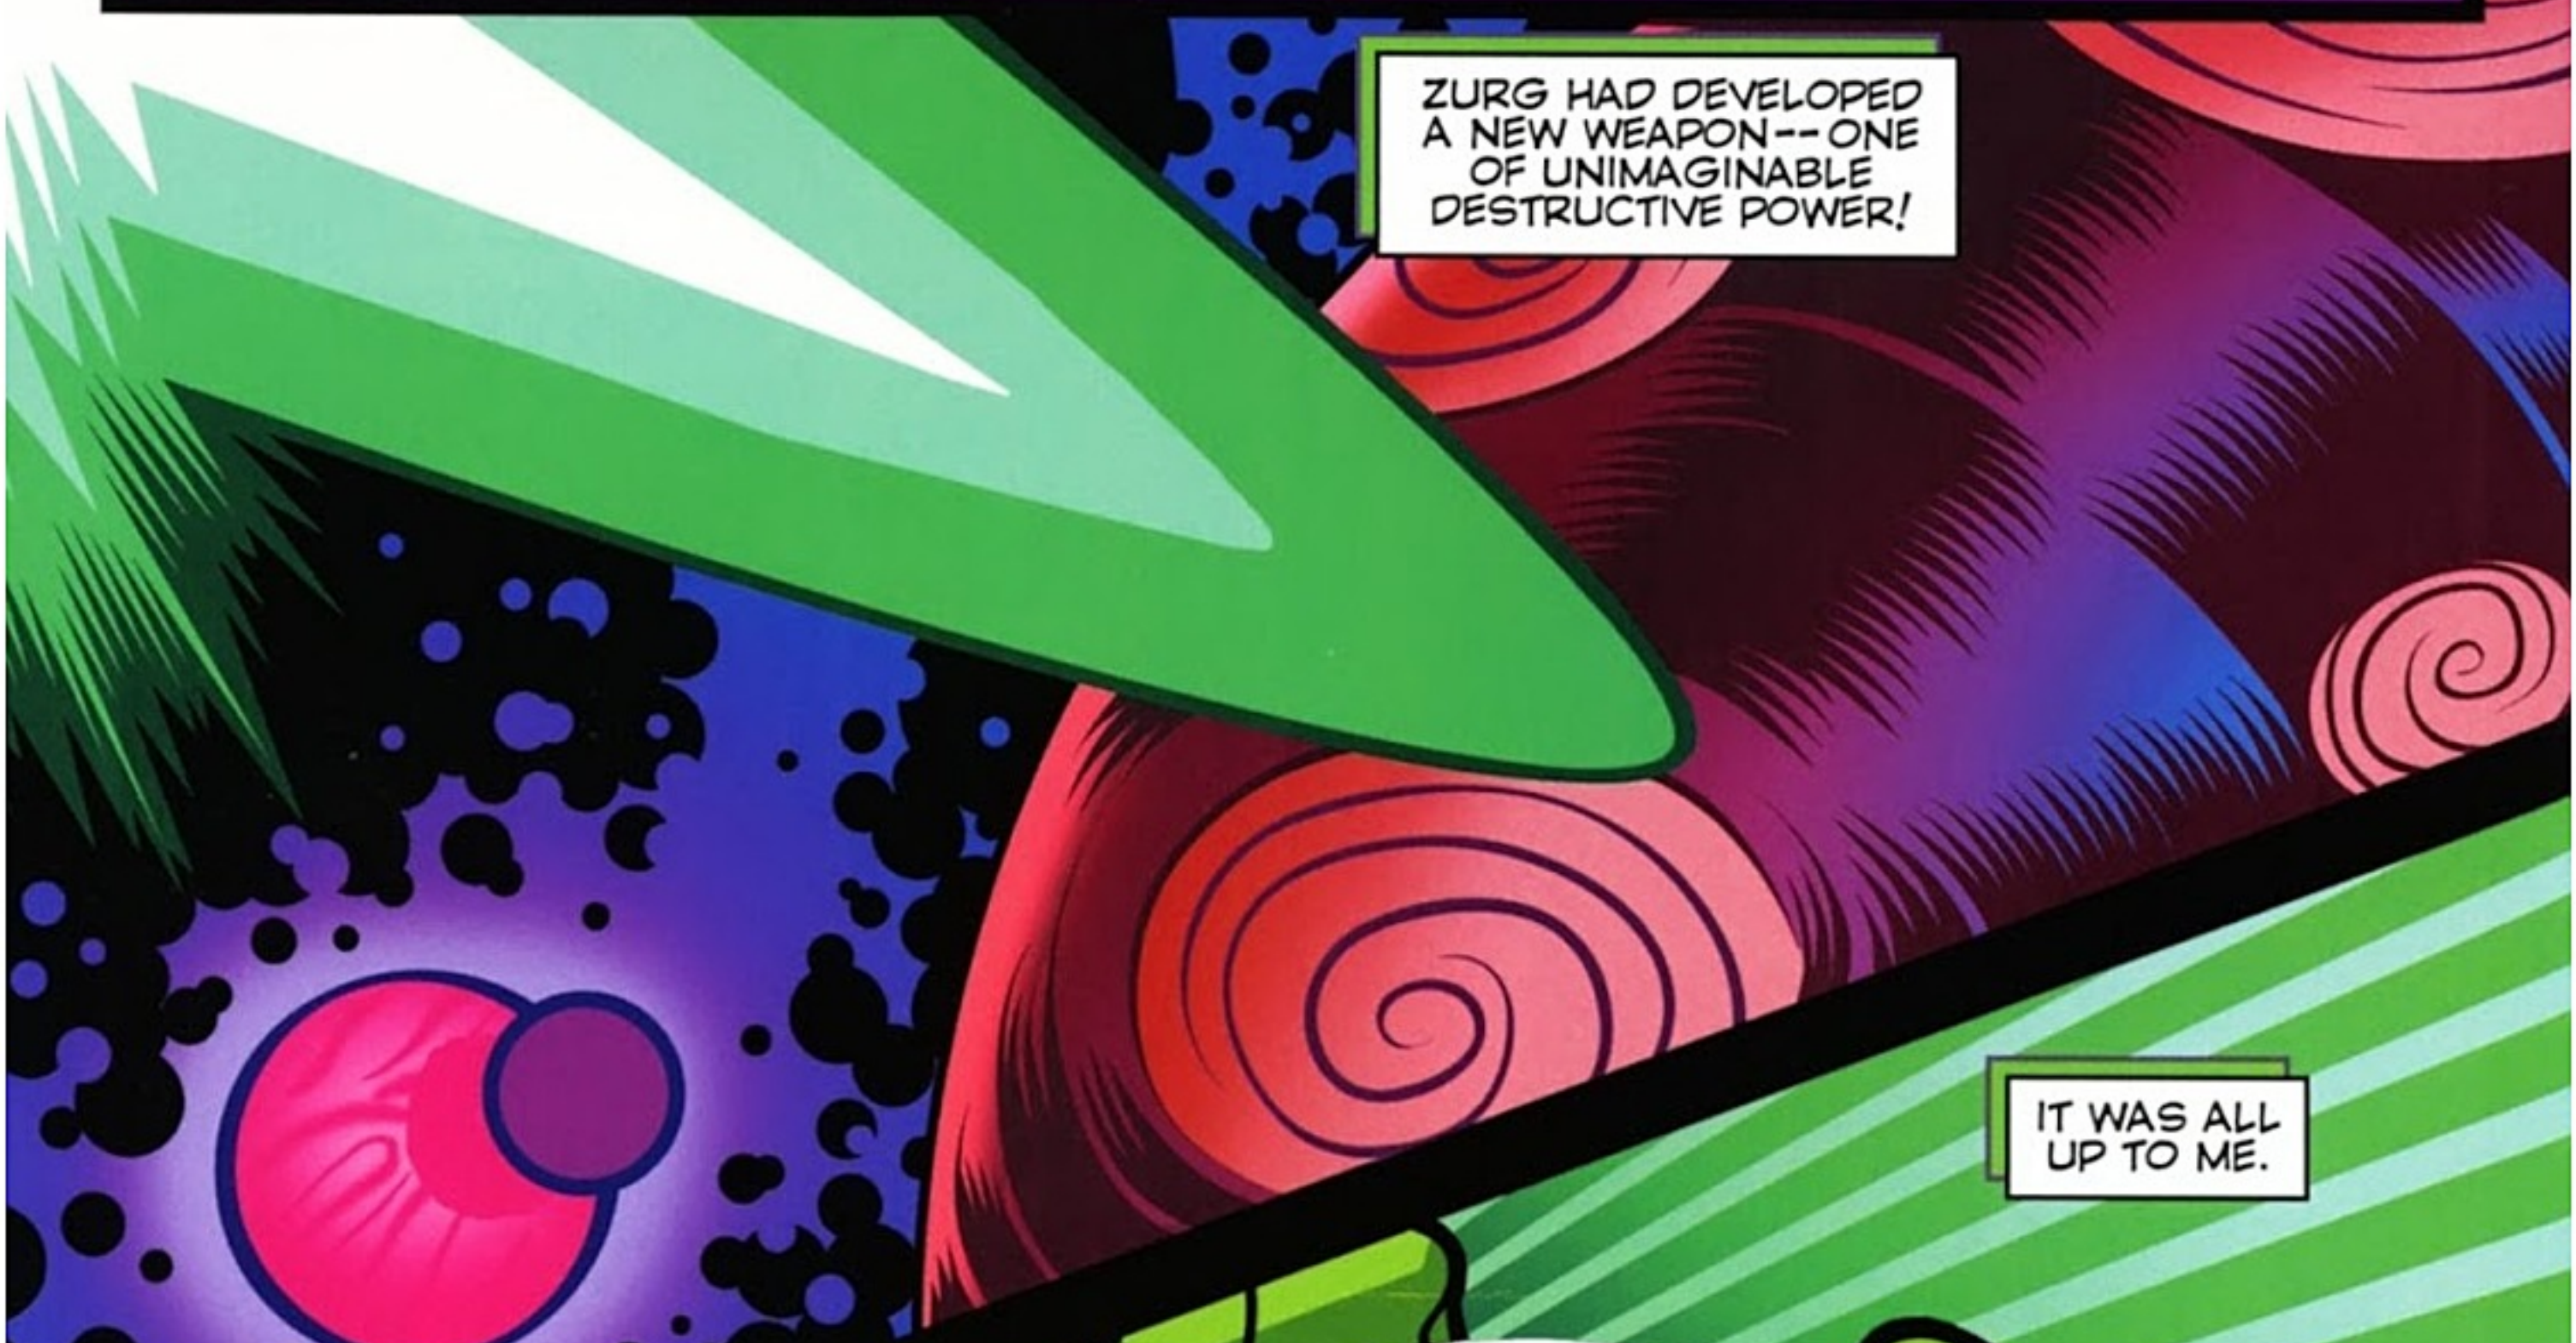

GRRRRRRRRRR

EEP!

FASCINATING STORY, ROCKY. REMINDS ME OF THE TIME I WAS ON CETI ALPHOOINE...

A man with dark hair, wearing a green and blue suit with a purple collar, is holding a yellow and red robot head. He is smiling and looking towards the right. The background is dark blue with some green and yellow light effects.

IT WAS A DANGEROUS MISSION, BUT STAR COMMAND KNEW IT WAS THE ONLY CHANCE TO STOP THE EVIL EMPEROR ZURG!

A large, swirling energy field in shades of green and red dominates the middle of the page. The field has a vortex-like appearance with concentric circles and radiating lines. A green, arrow-shaped object is visible on the left side of the field.

ZURG HAD DEVELOPED A NEW WEAPON--ONE OF UNIMAGINABLE DESTRUCTIVE POWER!

A man in a green and blue suit is holding a large, glowing blue energy sphere. He has a determined expression on his face. The background is a green and white striped pattern.

IT WAS ALL UP TO ME.

IT'S ALL UP TO ME!
